Team Building

THE UNLIMITED POWER OF TEAMWORK:

Build a High Performance Team

This module helps strongly unite team members to reach common goals through a greater awareness of how each member contributes to the success or failure of the team.

The program focus is on practicing the essentials of successful teamwork.

The program is guaranteed to challenge team members to examine strengths and opportunities for growth, while appreciating the diversity of each member of the team.

EXPECTATIONS:

- Strengthen cohesiveness and cooperation among your team.
- Win the support and commitment needed to achieve goals.
- Increase the awareness of team member's unique contribution.
- Increase proficiency of team communications skills.
- Create a "can-do" encouraging spirit that uplifts your team.

"Jeffrey's team building seminars hit the mark! If you want good, results-oriented work done, this is the man to talk to. Jeffrey listened well to what was needed, and delivered. Super job!" -Craig Boltman, Realtor, ReMax Realty Affiliates

"I would highly recommend Breakthrough Training. We used Jeffrey for a departmental retreat with great results. Everyone had a terrific time, bonded more thoroughly as a team and walked away with a better appreciation of our individual similarities as well as how we might be able to better leverage our individual differences." -Lisa Cvecko, Corporate Controller, TriNet Human Resources

"Jeffrey has some very creative ideas to bring a team together. He gets along with everyone and make sure that each participant gets value out of his exercises. He also has excellent follow through." -Kelly Gaskill, Business Development, Cox Television
