Effective Communication

MASTER YOUR COMMUNICATION:
Connect with People to Produce Results

This dynamic communication training program provides participants with the essential tools to communicate effectively with other people. The program focus is on practicing positive communication habits that propel participants along the path to career success and personal achievement.

EXPECTATIONS:
- Practice vital listening strategies that improve communication.
- Improve your interpersonal communication to establish rapport.
- Negotiate successfully with other people to get what you want.
- Communicate skillfully and confidently with other people.
- Understand and relate to different communication styles.
- Create mutual understanding in a clear and organized manner.
- Build trust and establish cooperation with others.

“The interaction with like minded professionals from multiple industries allowed me to expand my communication, listening and interpersonal skills”. -Kathleen Codman, Director of Support Services, Northern Nevada Medical Center

“I would highly recommend his services for any organization looking to do something new and bring your organization closer together.”
-Calvin Nicholson, Director of Product Marketing, Server Technology

I can honestly say it is by far the best program I have ever been through. The two things I am getting out of these modules is how important communication is and teamwork. Jeffrey has a very unique way of teaching. It has helped me so much already in my personal as well as my professional life. -Grace Moore, Business Development, Applied Business Solutions

“Breakthrough Training helped The University of Phoenix enrollment department hone and develop communication skills.” -Julie Crandall, Director of Enrollment, University of Phoenix

“Action speaks louder than words, but not nearly as often.”
-Mark Twain
