Strategic Business Planning

DEVELOP A STEP BY STEP PLAN TO ACHIEVE GOALS

This powerful program provides participants with the necessary tools to design a platform for profitable business success. The program focus is on how to achieve business goals by actively utilizing the 5 steps of strategic planning to increase productivity, efficiency, and profitability.

The program provides techniques to gain clarity, and offers ways to stay focused on top priorities. Best practices are shared to delegate to team members and other resources that can help to execute your plan.

EXPECTATIONS:

- Demonstrate the importance of planning in order to achieve goals and objectives.
- Determine the right priorities to take action on.
- Identify and write specific SMART goals that can be implemented immediately.
- Quantify objectives in writing that measure goal performance.
- Maneuver your organization into the most advantageous position.
- Brainstorm and collaborate with peers to achieve goals.
- Create strategies to achieve goals and objectives.
- Develop action steps that define who, what, where, and when.
